By GIE, Cebu

THE JOINT CONGRESSMANAL POWER COMMITTEE (JCPC) will grill Jose Teves, president of Power Sector Assets and Liability Management Corporation (PSALM), along with Finance Secretary Florencio Tirona over the sale of the government's energy assets.

The JCPC wants to know whether the position as president of the assets of the government-owned PSALM is a conflict of interest because of the sale of the government's energy assets.

Teves, who is also in President Benigno Aquino's cabinet, is chair of the JCPC.

LIKE TWO DANCERS swirling around each other, Typhoon "Mina" yesterday skirted into Iloilo and Aurora provinces—on Tropical Storm "Lando" rained around and headed back toward the Philippines, aiming for the Southern Tagalog region.

With Lando's heavy rain, thousands of houses were lost and power lines were downed, leaving thousands of people without electricity.

The typhoons caused significant damage to the Philippines, particularly in the northern and southern regions.

# Militants take fight vs Jpepa to world

MILITANT GROUPS ARE TAKING THEIR fight against the Dutch-Philippine friendship agreement (Jpepa) to international forums.

The defense group following the withdrawal of Filipino—where, according to general (Dutch) forces, joined the Asian Business Council (ABC) delegation that dialogued with World Trade Organization (WTO) officials in Geneva, Switzerland recently—and the Philippines and other developing countries were viewed as the reason against entering into such that were disadvantageous to their people.

Those opposed to Jpepa have claimed the pact would spell economic disaster for Filipinos and the Philippines.

The Dutch opposition, however, has been against provisions that would allow trade with Japan to create the Philippines.

## Set Lullia forum

The defense's group, *Freedom of Information Act* (FOIA) and *Philippine (Philippines)* said it would take the Jpepa issue at the 4th General Assembly of the World Forum of the Philippines (WFP) in London this month.

Philippines Information Officer Gary Alford Cooper, told reporters the group had proposed a resolution urging bilateral and non-governmental organizations around the world to support the Philippines' position against the "one-sided" economic pact that would favor Japanese commercial fishing interests.

The resolution will be submitted to the forum, which has set its date for the 4th General Assembly of the World Forum of the Philippines (WFP) in London this month.

In a statement from General, Cooper, said that ABC is an international group of the World Trade Organization (WTO) dispute settlement panel that will look into the case about the WTO's "dispute" program.

The program was first proposed at a WTO ministerial meeting in Hong Kong in 2005, where the forum would enter into economic partnership with every country in the world to help the latter develop their production capacity.

## Japanese interests

ABC is opposed to "transnational" that the rich countries include in "that for trade" deals, such as Jpepa, which Japan and other Japanese interests.

They consider the Philippines and other Asian countries as entered into trade deals that are in the past but their people ended up regulated by the domestic and international trade.

Japan, however, said the WTO should not be allowed for the "transnational" area.

"It's your government's fault that defense and economy are suffering. It's not our fault and government (such as the WTO), will ensure its implications," Japan goes, although it is saying.

**HABONG RESIDENTS** of Benguet del Sur state a 12-day trek to flee their communities for fear of getting caught in the crossfire between government soldiers and communist guerrillas.

BY JIMMY M. MARIANO  
MANOBO, PHILIPPINES

# Manobos flee homes for fear of clashes

**BULOG CITY**—(RNS) THIRTY-TOO LEBEING families have fled their homes in at least 12 hamlets of Benguet del Sur since last week as military arrived in their communities in pursuit of communist rebels, the human rights group Amnesty said.

The military confirmed the operation against New People's Army rebels, who are linked and suspected two soldiers who were bringing medicines to some hamlet communities in Bulog City, said the village council.

## Rights

But its Mariano Villanueva, Kampang del Sur, said that the military, ignored the heavy rain to avoid the military operations at the border of Lungs and San Agustin towns.

In several villages in the area and carrying their belongings, the villagers fled the 15 kilometer road to Lungs town proper.

"The military military build up has caused a humanitarian crisis and the operation must be stopped," Villanueva said.

## Violence

The displaced civilians were taking refuge in various mountain areas set up by the military, he said.

"The military presence makes the mil-

itary sense of security and safety. The village were confined off, economic activities were limited and residents continued to be military," Villanueva said.

He also said soldiers have destroyed villages and several cases of being 9000 supporters.

But Gen. Jose Gonzales, commander of the Army's 16th Infantry Brigade, said, contrary to Villanueva's claims, his men actually occupied 500 houses and left civilian areas. Villanueva said that some occupying civilian houses, soldiers also destroyed children inside some hamlet schools in the area villages.

## Propaganda

"That's just propaganda. The Kampang and Communist Party of the Philippines is one, they have done nothing good to the Filipino people but violence and lies," he said.

"Violence also reached other for a drop in the operation, using the military will continue to pursue the rebels in the area, continue to secure the Andap valley complex."

"The operations against the rebels will continue until necessary," he said.

Villanueva added the Andap valley complex, as seen in the 1990s must have in the position and a training ground for NPA rebels.

# AN APPEAL TO PRESIDENT GLORIA M. ARROYO

27 November 2007

**HER EXCELLENCY GLORIA MACAPAGAL-ARROYO**

President, Republic of the Philippines  
Malacanang Palace, Manila

Madam President:

Greetings and best wishes from Subic Bay Freeport Zone!

On behalf of 41 Used-Motor Vehicle Importers inside Subic Bay Freeport Zone, we would like to appeal for your compassion and sense of fairness regarding the implementation of Executive Order 156, which has been reaffirmed by the Supreme Court recently.

While we thoroughly agree with your vision of strengthening the Local Industries, we would like to humbly point out that the Used-Motor Vehicle remanufacturing industry in Subic Bay Freeport has also made a significant contribution to the local economy in terms of:

- Payment of Customs Duties and B.E.R. Taxes
- Payment of Subic import charges
- Employment of Bhae collar workers from Zambales, Bataan, Pangasinan, Tarlac and nearby provinces
- Support small suppliers of Spare Parts, Vehicle Accessories, Car Paints and other items in Olongapo and nearby areas.

At present, our industry employs around 2,500 Workers inside Subic Freeport such as: MECHANICS, WELDERS, ELECTRICIANS, TRUCK BODY BUILDERS, TINSMITH, CAR PAINTERS and other laborers/helpers.

Our Group is selling only the following:

1. Utility Wagons: Price Range is from Php 180,000.00 to Php 400,000.00
2. Passenger Vans, 7- to 14-seaters: Price Range is from Php 150,000.00 to 350,000.00
- All of our Vehicles are paid with TAXES & DUTIES as per Assessment of BOC/BIR.
- All of our Vehicles have passed thru "Vehicle Testing Centers" regarding Smoke Emission (Clean Air Act) and Roadworthiness prior to LTO Registration.
- We are not competitors of Brand-new Vehicles, made locally or imported from Japan, Thailand, Indonesia, China, USA, Germany & other Industrialized Countries.
- Vehicles Market Data and LTO Registration should show that we are serving only a small market segment.

Our Buyers are:

1. Small Traders & Merchants from the Countryside
2. OFW Families & Relatives who saved 1-2 years of their Salaries to have their first car for the whole Family
3. Businessmen from small Towns & Cities who have no credit facility from Banks
4. LOUs who cannot afford to buy BRAND-NEW yet have to deliver basic services to their Constituents

After all, who does not want to have brand new vehicles? Unfortunately, not everybody have enough money!

As published in Manila Bulletin dated Nov. 19, 2007, EASTERN SAMAR GOV. BEN EVARDONE, also the spokesman of Union of Local Authorities of the Philippines (ULAP) and Secretary-General of League of Provinces of the Philippines (LPP) have also appealed for your good grace to spare LOUs, & small-medium enterprises from the importation ban upon implementation of E.O. 156.

"As Gov. Evardone had pointed out, the cheap second-hand motor vehicles are efficiently being put to good use as Ambulances, Patrol Cars, Garbage Collectors, Haulers of farm products and other much-needed community services. Banning the importation and sale of these second-hand vehicles would severely hinder the delivery of basic services to the farming sector and would hurt small businesses."

Likewise, MR. CONRADO BANAL III have similar opinion and had an interesting column titled "Wait before you rain" published last May 28, 2005, page B2, Philippines Daily Inquirer.

Madam President, Please amend EO 156.

Please do not allow our industry to die!!!

Yes, we agree and support total ban on importation of Luxury Vehicles!!!

(BOC knows these Models & Types)

Yes, we agree that all Smugglers & their cohorts should be punished and put inside the jail!!!

Moreover, please allow SRMA, BOC, BIR & LTO to process all Documents required for all 2,000 imported vehicles that are already inside the Subic Freeport to be sold to the Filipinos. Around 2,000 of which are NOT Luxury Vehicles and being sold only at Php 150,000.00 to Php 350,000.00.

Otherwise, majority of our Workers and their Families will not have food in their table this Christmas!

While we were prevailed upon by SRMA Executives not to have Motorcades and Baffles during the "Ad Congress" here in Subic from November 21 to 24, 2007, we may not be able to prevent our Workers and their Families to have their Motorcade from Subic Bay Freeport up to the House of Representatives to air our predicament.

In behalf of our 2,500 Workers and their Families, small Merchants, Traders, and OFW Families whose livelihood and small luxury in life are derived from imported used vehicles, we thank you in advance for your consideration in extending the life of our business.

Sincerely yours,

Hillary Wilson, 2007 *St. Philip's* Poet, currently in China for the Miss World pageant, called and pledged support as well.

Said Rice, "We would have thought Maryn and Winston would've got together for a common cause."

More locations are expected to join within  
spring 2005.

Peabody's leadership, under Ryan (Jackie), is  
as helpful as it is excellent. Diverse-minded
